s/y OCEAN - A

CHARTER AND CREW

The ship is chartered with the necessary crew.
The basic charter fee is for the hire of a vessel and one captain. Depending on the type, length and difficulty of the trip, you will need an additional crew. To operate such trips, you will additionally need a deck sailor, engineer, cook, and a polar bear protection guide. To sail more than 12 hours a day, you need a second navigator. We offer the employment of the necessary crew for your needs.

Feel free to contact us if you need special equipment, polar bear conservation guides, or a cook.
