

Your home base in Arctic waters for scientific research, ski trips or sailing expeditions.

seven seasons in the Arctic
 over 100,000 miles in polar waters
 three expedition yachts

CHARTER AND CREW

The vessels are chartered with the necessary crew. The basic charter fee is for the hire of a vessel with captain. Depending on the type, length and difficulty of the trip, you will need additional crew – deck sailor, engineer, cook, a polar bear protection guide or (to sail more than 12 hours a day) second navigator. Each yacht can accommodate up to 12 guests.

Feel free to contact us if you need any of the above or some special equipment.
